

Safety Policy Statement

The Lane Construction Corporation considers the safety of its employees and the general public to be a matter of prime importance. Our ability to achieve a good safety record is clear evidence of good management and we will do everything within reason to maintain and improve our position. We intend to provide a healthy and safe place of employment for all employees, to abide by all relevant Federal, State and local laws and regulations, and be guided by good practice as necessary for location and circumstances.

It is, therefore, mandatory that the following procedures and policies be incorporated into our overall operations in order that we may accomplish our accident prevention goals.

Robert E. Alger, President & Chief Executive Officer
